

# iMin K1

## KDS

- Oil and smoke resistant for superior durability
- 21.5" HD display for an immersive view with vibrant colorization
- Optional multi-capacitive touch screen
- A 100M network interface for advanced connection

KDS reinvents traditional kitchen order methods and retrieves tickets submitted by the POS system. KDS manages orders in the system with the server to avoid missing or mistaken orders. KDS promotes organized operations in the back kitchen.
